

C.281 MOTORCYCLE SIDECAR—RED
C.282 MOTORCYCLE SIDECAR—GREEN

Replacement Hubs (S.9900) supplied will be in black only.

To release top half of body from underpan remove screws on underside.

View shows motorcycle in upright position. When reassembling ensure that wires from motor to guide blade are not crossed.

Modifications are made to models from time to time. If a spare part is required which does not coincide with the illustration, a full description should be given and, if necessary, a sketch or sample should accompany the order.
